My parents and I agree that I shall live in the accommodation nominated on this form whilst residing in Australia, or until I am 18 years of age. I understand that a new application must be approved by UNSW College should I need to change accommodation after UNSW College's CAAW has been approved on my behalf. I am aware that additional fees may apply for new CAAW approval arrangements. I am also aware that if I change my accommodation, new placement and accommodation fees for Homestay arrangements and/or the Residential College may be applicable and that my parents will be advised of any changed accommodation arrangements.

UNSW College will monitor the care arrangements of under age students through regular meetings with the student for UNSW College registered courses. I understand that monitoring will be conducted by UNSW once I commence UNSW undergraduate studies if I am still under eighteen. I give permission for UNSW College to report details of meetings to my parents, if required.

SECTION E. UNDER 18 CONFIRMATION OF APPROPRIATE ACCOMMODATION AND WELFARE (CAAW) ARRANGEMENTS

If you are under 18 and intending to study in Australia, you need to have appropriate accommodation and welfare arrangements in place before the Australian Government and Australian Department of Human Affairs (DHA) will grant you a visa.

If you accept an offer for any UNSW College Pty Limited (UNSW College) registered course including English courses or UNSW Foundation Studies, you must choose one of the care arrangement options acceptable to DIBP.

These options are:

Option 1: UNSW College does not provide a Confirmation of Appropriate Accommodation and Welfare (CAAW) Letter

If you choose this option, you will need to reside in Australia with a parent, legal guardian, or a close relative of good character (nominated by both parents) who is 21 or over. This arrangement must be approved directly by DHA.

Option 2: UNSW College provides a CAAW Letter

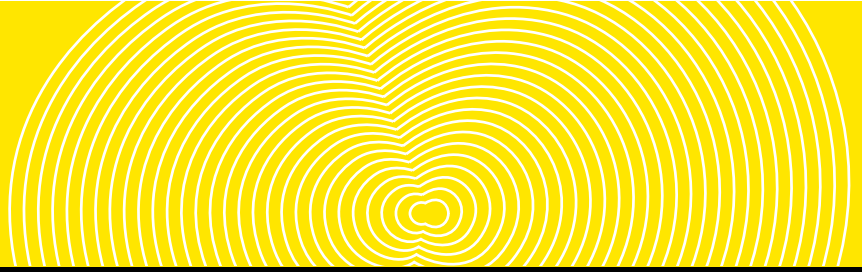

If you choose this option, UNSW College will need to approve your accommodation and welfare arrangements. You need to present this CAAW Letter from UNSW College to DHA when applying for your Student Visa.

You must submit this form together with proof of payment for your accommodation at least 4 weeks before your course begins.

UNSW College follows procedures to ensure that the responsibilities it undertakes in signing CAAW Letters to students are fulfilled. If you require UNSW College to provide you with a CAAW Letter, you must agree:

- a. To stay in accommodation approved by UNSW College until you turn 18 years of age. If you choose to reside in a Homestay, a UNSW College staff member will visit the home and meet with the prospective host family to ensure that the accommodation and welfare arrangements are adequate. If you intend to stay at Scape/Iglu/New College, an International Student Adviser will maintain regular contact with Scape/Iglu/New College staff to ensure that your accommodation and welfare arrangements are adequate and continue to remain appropriate for your needs.
- b. While UNSW College will try to approve your first choice of accommodation, we may offer alternate accommodation in order to be able to approve your Under 18 Care Arrangement.
- c. To attend regular scheduled meetings with a Student Adviser (which will be monitored by UNSW College). These meetings provide you with the opportunity to discuss any issues you may have about your accommodation and/or host family, academic progress, and any other personal concerns.

For details regarding CAAW arrangements and forms to be completed, please answer the questions over the page and follow the instructions carefully.

1. During your study in a UNSW College registered course, will you be residing with one of your parents, a legal guardian, or a relative aged 21 or over?

YES - continue to read details below (Option 1)

If you choose this option you must arrange your own accommodation and have these arrangements approved directly with DHA when applying for a Student Visa. The arrangements include obtaining a Police Clearance check of your parent/s, custodian, or relative with whom you will reside. A CAAW Letter is not issued by UNSW College for this option. For further information, please visit the DHA website www.homeaffairs.gov.au

Complete the first page of this form: Student Details and Section A, and email this form to UNSW College Admissions at Admissions@unswcollege.edu.au. If you have chosen this option you do not need to read the remaining information.

NO - UNSW College will sign the CAAW (Option 2) go to No. 2

2. UNSW College signs the CAAW

In signing the CAAW required for Student Visa processing, UNSW College is undertaking an important responsibility by confirming to DHA that appropriate arrangements have been made for the student's accommodation, support, and general welfare. The CAAW fee for these arrangements is AUD\$150 in 2017, plus an additional AUD\$49 per week in 2017 for every week the student remains under 18 years of age during UNSW College English courses and/or the UNSW Foundation Studies program.

You must choose one of the following accommodation arrangements:

New College - go to No. 3

Scape - go to No. 3

Iglu - go to No.3

Homestay placement - go to No. 4

Stay with a friend or relative with UNSW College approval - go to No. 5

Please complete this form including sections B, C, D and E and submit with your application.

3. New College, Scape & Iglu

If you have received an offer of enrolment for any UNSW College registered courses including English courses, but have not already applied for New College, Scape or Iglu, please visit their websites to submit an application -

New College - <https://newcollege.unsw.edu.au/>

Scape - <https://www.scape.com.au/>

Iglu - <https://iglu.com.au/sydney/>

The service provider will contact you or your agent directly to advise accommodation availability and the procedure - including payment of deposit - to confirm your booking.

Once you have applied and paid for accommodation, please provide your New College, Scape or Iglu booking number on this form. UNSW College will verify with the provider that a room has been confirmed.

Should a room be unavailable or unconfirmed, you will need to arrange Homestay accommodation to be eligible for the CAAW letter (see No. 4).

To ensure your room is available for your first day, New College, Scape or Iglu will require your flight arrival details. It is compulsory for all under age students to book an airport pickup and you must go to your accommodation directly. If you have chosen this option, you do not need to read the remaining information.

When you have applied to the Homestay agency, you will be invoiced in advance for the placement/administration fee and for four (4) weeks accommodation.

You must pay your Homestay fees before submitting this form.

Please note: Homestay fees are additional to the care arrangement fees charged by UNSW College and are invoiced separately by the Homestay agency.

UNSW College will liaise with the agency to confirm that you have applied and paid the Homestay fees. Once Homestay payment has been received, the agency will send a host family profile to UNSW College for approval.

Once the Homestay arrangements are approved by UNSW College, a notice is sent to the Homestay agency which then conducts the appropriate police checks and confirms the Homestay placement with you.

To ensure that the host family will be available to greet you on your first day, the Homestay agency will also require your flight arrival details. It is compulsory for all CAAW students to go directly to their approved accommodation immediately upon arrival.

5. Stay With a Family Friend or Relative With UNSW College Approval

To assess whether the arrangement is appropriate, a UNSW College staff member will visit the proposed accommodation and meet with the nominated friend or relative providing Homestay accommodation for you. Once accommodation is approved by UNSW College, your contact details and the details of your nominated friend or relative are sent to a Homestay agency for registration.

The Homestay agency will send an invoice for the registration/placement fee to you. Once paid, the agency will contact the nominated Homestay and organise a date to register the host family; this procedure includes obtaining working with children checks for all adults living on the premises.

Please note: Homestay fees are additional to the care arrangement fees charged by UNSW College and are invoiced separately by the Homestay agency. Homestay approval is subject to UNSW College's nominated host family standards and registration of the family with the Homestay agency.

Prior to making any of these arrangements, please ensure that your nominated host family understands the standards and procedures required by the Homestay agency and UNSW College for them to be approved as a suitable Homestay host.

Once the nominated Homestay has been registered and approved by both the agency and UNSW College, a host family profile is sent to you as confirmation of your accommodation. The homestay agency will also require your flight arrival details to ensure that the host family will be available to greet you on your arrival. It is compulsory for CAAW students to go directly to their approved accommodation immediately upon arrival.
